

### Your trust is our business

Thanks to our idea to focus totally on your companies need of trouble free and effective logistics solutions **NTEX** have had a steady development since the start in 2003. We are specialized on Great Britain and the European continent, Sea and Air freight on a Global scale together with special services and express solutions. As one of Sweden's most modern transport and logistics suppliers – with over 500 trailers, logistics warehouse in Gothenburg, offices in Immingham, Bristol and Lübeck, our own haulage company and a wide network of independent hauliers – we strive to be the best logistics partner with security and our environment always in mind.

## Europe

Through **NTEX** you get expert help with groupage, part and full loads. We offer standard and tailor made solutions to and from Sweden and continental Europe

Germany with its over 80 million inhabitants is one of Sweden's biggest trading partners. That's why **NTEX** have an operative office strategically placed in Lübeck. From Lübeck our experienced operators control our traffics in the western parts of Europe and secure deliveries and collections for our customers. Our traffics on the central parts of Europe are controlled by the Gothenburg office.

**NTEX** creates transport and logistics solutions in accordance with your needs and demands – anything from standard transports, agreed timetables week after week or time sensitive express jobs. Sometimes time is simply more important than the price or vice versa. We know that in the jobs you place with us lies more than just moving goods. We also carry your company's good reputation.

Let us take care of your transports so that you can focus on being as successful as ever possible in your business.

### Departures & Leadtimes

Fixed departures in our groupage traffics are Tuesdays and Fridays both on exports and imports. Normal lead times are 3 – 4 working days in both directions.

In the **FTL** traffics its daily departures Monday to Friday with a normal lead time of 2 working days (day of loading excluded).

Our **Express** alternatives are available with 12 to 24 hrs solutions. Our specialists know that time an important factor and will give you a fast reply with suggested solution and rates
