

Your trust is our business

Thanks to our idea to focus totally on your companies need of trouble free and effective logistics solutions **NTEX** have had a steady development since the start in 2003. We are specialized on Great Britain and the European continent, Sea and Air freight on a Global scale together with special services and express solutions. As one of Sweden's most modern transport and logistics suppliers – with over 500 trailers, logistics warehouse in Gothenburg, offices in Immingham, Bristol and Lübeck, our own haulage company and a wide network of independent hauliers – we strive to be the best logistics partner with security and our environment always in mind.

In our strive to become a complete provider of transport and logistics services we now open **NTEX Cargo Center**. Strategically placed in the port of Gothenburg we now offer cross docking and third party logistics with storage, repacking and other added value services. In the newly renovated warehouse our own staff makes sure that your jobs are carried out with high quality and with your needs and demands in focus. Of course service and flexibility are prestige words here also, and all work is done in accordance with our quality and environmental certifications.

NTEX Cargo Center offers you:

Cross Docking – labeling, delivery to end user

Storage – pick and pack, labeling, shrink wrapping, delivery to end user

Return service – collection, repacking, storage, delivery to end user
