Traffic during Christmas and New Year 2026/2027

As the upcoming Christmas and New Year holidays approach, we would like to remind our customers to plan and book deliveries well in advance. Please find below general information with dispatch dates from NTEX for deliveries before Christmas. Loading during the days between Christmas and New Year may, subject to unit availability, take place with arrival after the New Year/Epiphany weekend. If there are specific loading/unloading date requirements, these must be explicitly specified in the booking. Feel free to coordinate with your local NTEX contact.

Please note that the capacity of units and space on ferries is limited during the holidays. NTEX reserves the right to return with possible additional costs as our suppliers may have changed lead times and capacity during this period.
